

WET MOUNTAIN VALLEY ROTARY CLUB FOUNDATION

BOARD OF DIRECTORS

Charles Peckham
Tony Papantonis
Bill Adler
Doug Tyler
Dan Hudson

Enclosed you will find a Brochure for the Wet Mountain Valley Rotary Club Foundation. We are sending this to explain the history and objectives of the Foundation, and to outline the present activities in which we are involved.

We feel that the Scholarship Program is especially important for the graduating seniors at the Custer County High School. Employment opportunities are limited without advanced education in this modern world. We believe that our program, which helps with scholarships for the first two years of college, will enable local youngsters to prepare themselves for the challenges of today. Rotary raises money for this program by annually conducting the Pancake Breakfast and Steak Lunch during the County Fair weekend. We also put on a Golf Tournament as a fund raiser. With college costs so high now, and the number of students increasing, we need additional support to increase the benefits of the program.

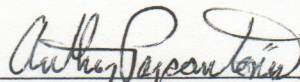

As shown in the Brochure, Rotary has also taken part in many activities which are of benefit to all of us.

Our mailboxes are full of solicitations for financial help for many deserving charitable activities. We hope you will consider the things we do beneficial to the whole community, and will think about adding the Foundation to your list of tax deductible donations.

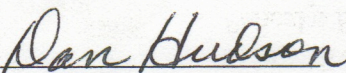

Our thanks for taking the time to consider our request.

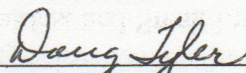

Sincerely,

Bill Adler
